Day 1 – Upon arrival at Liberia Airport, the bride and groom will be privately transferred to the Four Season Peninsula Papagayo Hotel. The resort is ideally located on the Papagayo Peninsula in the Guanacaste Region of Costa Rica. It is a secluded location offering breath taking view of the Pacific Ocean with Volcanic Mountains jutting out of the dark blue Pacific waters.

The couple will be staying in the One Bedroom Canopy Plunge Pool Suite.

Day 2 – Your alarm this morning will be the resident Howler monkeys. Enjoy breakfast in your room on your private terrace. Today you will have an unforgettable adventure, experiencing the Canyon Tour at Guachipelin. The adventure will consist of zip-lining over a canyon and a turbulent river, you will repel, rock climb, walk on hanging bridges, and finish with dip at a waterfall. You will then be transferred back to the Four Seasons Hotel.

Day 3 – Today's activity will be horseback riding at Hacienda Aromal. After picking up your kerchief and hat, you will connect with local gauchos. Your ride through Aromal offers breathtaking views and unique flora and fauna. Then back to the Four Seasons Hotel and enjoy a leisurely afternoon at the pool.

Day 4 - Today will be a day to enjoy the Four Season Resort and all it has to offer. After relaxing at the beach, there will be an afternoon sailing on the Catamaran. If your timing is right, you will get to see the local monkeys settling in the trees for the night. Tonight's dinner will be Trio's Lounge for sushi.

Day 5 – Enjoy breakfast, gather your gear, and get ready for surfing lessons! Tamarindo is an ideal place for both beginning and experienced surfers. Return to the hotel for lunch at Papogo.

Day 6 – Finally a romantic day at the Spa! Enjoy the Pacifica couple’s suite experience which is a sumptuous private escape for couples. This indulgent suite includes a shower for two with a waterfall whirlpool, dry sauna and powder room. The treatments include a relaxing sea salt foot soak followed by the massage of your choice. There will plenty of time to savor the experience! After lunch you will be escorted by the chef to a local fisher on Playa Blanca. Here you will choose your fish, right off the boat, for the chef to prepare for your dinner tonight.

Day 7 – Today is a day just to relax at the pool. Savor the last moments of your honeymoon in exotic Costa Rica!

Day 8 – Breakfast and private transfer to the airport. Your honeymoon is complete!
